Notes

A 30% Deposit is required by time of signing this agreement.

1. All hardware costs are taxable. And must be paid in full by time of installation.
2. Order does not reflect the Regulatory Recovery Surcharge or local, state, or federally mandated usage fees.
3. Prequalification information contained in this document is based on best available information and is subject to change.

Pre-qualification results do not guarantee service availability. If the stipulated access technology is not available, another type of access may be proposed to Subscriber and substituted upon Subscriber's approval, which may result in changes to the quoted MRCs and NRCs. TeleBroad commits to making reasonable efforts to find the least expensive access available that meets the customer's requirements.

4. In addition to the fees quoted in this order, Customer understands that if agreed to a Service Commitment, an early termination fee will be charged if Customer stops any Service before the end of its Term.

Customer agrees to pay all fees associated with the Services ordered above and authorizes TeleBroad to charge Customer's credit card or debit from customers account for such fees.
